On 25 October 2021 at 10:00, Epioni is organising a hybrid event at Innovathens / Technopolis city of Athens, aimed at young carers who have parents with mental health problems.

The event will host notable speakers such as psychiatrists Dr Orestis Giotakos who will discuss the "care for my brain" perspective and Dr Georgia Balta who will present the topic "Parents with mental illness: the place of the child"

The Director of the European Federation of Associations of Families of People with Mental Illness EUFAMI, Mr John Saunders, will speak about depression experienced by families.

Mrs Stefania Buoni, President of the Italian organisation COMIP, will talk about the children of parents with mental health problems and will give suggestions and good practices to support them.

The webinar is supported by the Society of Social Psychiatry P. Sakellaropoulos, Obrela, Edra, and the European Network of Active Living for Mental Health (ENALMH).

Sponsors: Lundbeck, Interamerican and the Saronic Nephrological Center.

Communication sponsors: www.psychologynow.gr , www.iatronet.gr και www.healthdaily.gr
